

“Our business can help your business”

Resistance Weld Supplies - Electrodes, Holders, Adapters, Shanks, Caps, Weld arms

- ✓ **Tuffaloy Products** complete catalog
- ✓ **Tipaloy** complete catalog
- ✓ **Centerline** complete catalog
- ✓ Nut welding heads (GH series), stud welding heads, and nut locating pins
- ✓ Seam Weld Wheels – blanks or machined to print
- ✓ **CMW** complete catalog
- ✓ **Luvata** resistance welding caps
- ✓ Custom Designed Electrodes & Tooling

Resistance Welding Controls

- ✓ **Entron** EN1001 & WS series AC controls
- ✓ **Miyachi** STA series AC, & IS series MFDC
- ✓ **WTC & Medar** both AC & MFDC
- ✓ **Unitrol** AC controls with ‘Soft Touch’ option available
- ✓ **BF Entron** AC & MFDC controls

Water Chillers

- ✓ **Koolant Coolers, Schreiber, Dimplex, Unitrol** - full line of chilling equipment
- ✓ **Dynaflux** recirculators

Weld Cables & Shunts - Air cooled, Water cooled, Braided cables, or Laminated leaf shunts

Quality Control & Set-up Assistance

- ✓ Force Gauges (hydraulic or electronic), Push-off Tester, Current Analyzers, Data Collectors
- ✓ Electrode Dressers – manual or pneumatic

Resistance Welding Machine Components

- ✓ **ACP** weld cylinders & **Savair** weld guns
- ✓ **Roman** weld transformers – (new or rebuilt)
- ✓ **MPC** water flow indicators and cooling water manifolds
- ✓ **Dengsha** Nut & Stud feeding systems

Resistance Welding Copper & Refractory Metals

- ✓ RWMA Copper Alloys: Class 1, Class 2, Class 3 (round, rectangular, plate)
- ✓ Elkonite® 10W3, 30W3, Tungsten Copper, TC20 Tungsten Carbide, Anviloy®1150, Molybdenum
